Bringing Tracks To Life

We are excited to announce our partnership with BS Track offering outstanding quality track shoes at an affordable price.

All track shoes are manufactured using market leading steel supplied by British Steel. This gives our product outstanding performance allowing you to minimise downtime.

Single Grouser

- Superior bulldozer ground penetration depending on the thickness of the profile
- General soil or rocky ground
- Longer grouser bars provide better traction

Double Grouser

- Loaders with good traction cause less harm to the ground surface
- Greater manoeuvrability equates to shorter spikes

Triple Grouser

- Our Shoe Range includes:
- Improved manoeuvrability and a stable operating platform for excavators
 - Applications that include hard and soft ground

Our Shoe Range include

- ✓ Standard Shoes
- ✓ Extreme Service Shoes
- ✓ Super Extreme Service Shoes
- ✓ Clipped Shoes
- ✓ Master Shoes
